

TO: Executive Director, Cheyenne River Housing Authority

RE: Request for Housing Assistance

I am respectfully requesting housing assistance from the Cheyenne River Housing Authority for extensive home repair/renovation or replacement.

Applicant/Homeowner

Date

Regretfully, your request for housing assistance is denied as the Cheyenne River Housing Authority currently does not have NAHASDA funds to assist private Tribal members that are home owners with home repair/renovation and no longer offers the mutual self help program to Tribal members.

Executive Director, CR Housing Authority
